| Service                                                    | Proposed Budget |
|------------------------------------------------------------|-----------------|
| Telemedicine & Healthcare Website Development<br>(Laravel) | 70,000BDT       |

- **Development Phase:** 7 Working Days
- **Testing and QA Phase:** 2 Working Days
- **Deployment Phase:** 2 Working Days

## Payment Structure For Website Development:

Modularized into 3 modules

- **Advance Payment:** 40% of the total budget
- **First Installment:** 40% of the total budget ( After 50% work report before deployment )
- **Final installment:** 20% of the total budget ( After 50% work report before deployment )

## Additional Notes:

- **Timeline:** The provided timeline is an estimate and may change based on project complexity and feedback.
- **Validity:** This quotation is valid for 20 days from the date of issuance.

- **Maintenance support : 3 months of FREE maintenance support** after project development. After this period, support services will be available at a monthly charge, determined after consultation with the client. Here, maintenance means bug fixes and technical assistance to ensure your project runs smoothly.
- **Revisions:** We offer 2 free revisions as part of the project development. Any additional revisions beyond these will be subject to additional charges. Revisions do not include a complete redesign of the project under any circumstances.

Thank you for considering DataPollex for your project. We look forward to the opportunity to work together.
