Service	Proposed Budget
Learning Management System Development (MERN Progressive Web App With MERN)	380,000 BDT

Estimated Timeline:

- **WireFrame & UI/UX Design:** 5 Working Days
- **Core Development Phase:** 25 Working Days
- **Testing and QA Phase:** 3 Working Days
- **Deployment Phase:** 2 Working Days

Payment Structure For Website Development:

Modularized into 3 modules

- **Advance Payment:** 40% of the total budget
- **First installment:** 40% of the total budget (After 50% work report)
- **Final installment:** 20% of the total budget (After 100% work report before deployment)

Additional Notes:

- **Timeline:** The timeline provided is an estimate and may be subject to change based on project complexity and feedback.
- **Validity:** This quotation is valid for 20 days from the date of issuance.
- **Maintenance support:** After project development, you will receive 6 months of **FREE maintenance support**. After this period, support services will be available at a monthly charge, determined after consultation with the client.

Maintenance means bug fixes and technical assistance to ensure your project runs smoothly.

- **Revisions:** We offer 2 free revisions as part of the project development. Any additional revisions beyond these will be subject to additional charges. Revisions do not include a complete redesign of the project under any circumstances.

NOTE: The budget is negotiable. Please contact our team for further negotiation.

Thank you for considering DataPollex for your project. We look forward to the opportunity to work together.
